

IICA organises CSR & Sustainability Training of OIL officials at Duliajan

The National Foundation for CSR, IICA, conducted a 4 day CSR and Sustainability training for junior and mid-level management officials at the OIL India Learning and Development (L&D) Centre, Duliajan, Assam, from June 16 to 19, 2014.

The aim of the training programme was to provide a broad understanding of relevant areas of CSR Policy, process flow, management, delivery/implementation and reporting as per the new law.

The programme was designed with emphasis on developing skills and competencies in officials and functionaries in the area of CSR. The modules were specifically designed keeping in mind the work profile and need of OIL lower and middle level management functionaries as per discussions with their L&D team.

CSR trainers from IICA were Sh. A.B. Chakraborty, Chief Sustainability Officer, Mr. Nikhil Pant, Chief Programme Executive, NFCSR, Ms. Mayuri Misra, Programme Executive, NFCSR, and Ms. Ruchi Gupta, Programme Executive-Sustainability.
